

# DLBS says Happy Mothers Day!

Beth and Ava Hall sporting their masks.  
Taking a difficult concept and making it beautiful.

Thank you Co-pilots/Parents for your support these past 7 weeks. Princess and Poster week was a success.

We know ZOOM has lost its sparkle on some days. Our teachers are missing the girls and the ways they interact and feed off of each other. Many days I just remind them...we are doing everything we can. We must be thankful we have any interaction.

Due to Covid 19, we will not be having a Ballet Recital in the traditional sense. In lieu of a recital, we have created an opportunity to perform our dances while supporting the immune suppressed in our community. Focusing on **WHY** we are zooming, wearing masks, social distancing and staying home is so difficult at times when so many conflicting opinions are present. Our staff believes in mentoring your dancers in life through our actions and focusing on **WHY** and for **WHOM** we are making these sacrifices.

Our performance / **WALK-a-thon** (yet to be named) will be outside in Auburn Valley State Park in late August. We dance and walk while raising awareness for the Delmarva Blood Bank and donating to the Delaware Breast Cancer Coalition. Much more info to come. Participation optional.

## THIS WEEK: PARENT ZOOM MEETINGS

Starting Monday May 11th, we would like to Zoom with parents during the last 20 minutes of Ballet to discuss our future plans and create a support driven environment with our dancers.

### Meeting Agenda:

- Zoom ideas
- Future Schedule
- Tuition Updates
- Q&A: Face to face

HOLY Late Notice!...If you cannot attend we will Zoom again next week for those who missed .

Things are changing daily; we are responding the best we can.

Miss Louise, Miss Ashley and all of their Monday night classes (5/11) are on a Zoom break. Ballet II, remember your meeting is Tuesday.

Happy Teacher Appreciation Week!

## UPCOMING: 8 WEEKS OF SUMMER

We understand no one signed up for dance after 6/14. While we are hoping to return to the school we have 8 weeks of summer classes planned to get us to our performance date. I really thought it was important to create a plan we can count on happening. We will continue to grow and be flexible as the world begins to open up. We have some creative Zoom plans to help us endure.

### Summer Dance would be:

- 6/22 - 7/3 - dance
- 7/4 - 7/11 - break
- 7/12 - 7/31 - dance
- 8/1 - 8/8 - break
